

JOB DESCRIPTION  
EXECUTIVE DIRECTOR  
BOULDER TECHNOLOGY INCUBATOR

A. GENERAL

1. Title  
Executive Director, Boulder Technology Incubator
2. Reporting Relationship  
The Director serves at the pleasure of the board of directors of the Boulder Technology Incubator (BTI). The executive committee of the board shall be responsible for evaluating the performance of the Director.
3. General Responsibilities  
The Director functions as the executive officer of the staff of BTI. Accordingly, the Director is responsible for the management of all Incubator activities. Thus, the position requires high levels of leadership, organizational and management capabilities.

The Director shall manage and direct the affairs of the Incubator so as to achieve its intended mission.

(Mission Statement - TBD)

B. SPECIFIC

1. Working Relationships  
The primary external working relationships established and maintained by the Executive Director shall include:
  - a) The clients of the Incubator.
  - b) The research offices of the major universities of the state with a focus on the University of Colorado in Boulder.
  - c) The Colorado Advanced Technology Institute.
  - d) Key industry leaders in the state.
  - e) Venture capital groups.
  - f) Other capital resource centers as may be appropriate to the Incubator.
  - g) Key trade, civic and professional organizations as appropriate to the Incubator's priorities.

Executive Director  
Job Description, Page 2

- h) The Boulder Chamber of Commerce
- i) The Boulder Economic Development Council.
- j) The national research laboratories in the state.
- k) High Tech companies in the state whose research activities afford opportunities for significant advancement in the stated purpose and mission of the Incubator.
- l) Firms, entities and individuals actively involved in Small Business Innovative Research projects and grants that complement the purpose and mission of the Incubator.

2. Responsibilities

The following responsibilities are delegated by the BTI board of directors to the Executive Director.

- a) To search out, analyze and recommend clients for the Incubator according to established prerequisite admission standards.
- b) To prepare, modify and execute the strategic plan of the Incubator.
- c) To develop and implement the annual operating plan for the Incubator as approved by the board.
- d) To provide timely and informed communications to the board relative to the operation of the Incubator.
- e) To direct employees and contractors to achieve the agreed upon objectives.
- f) To supply timely and cogent services to the clients of the Incubator to insure the maximum chance of business success to the client companies.
- g) To carry out all commitments made contractually between the Incubator and any other legal entity.
- h) To conduct the affairs of the Incubator in accordance with applicable state and federal laws and regulations.
